To Whom It May Concern:

A Building Permit was issued on March 17, 1998 to tear off an existing roof and to re-roof a dwelling at 16317 South Pannes Avenue.

The permit was issued in error as the property is located in Los Angeles County, not in the City of Compton. The Permit Number is B9502939. The roof sheathing was inspected on March 18, 1998 and was finaled on March 24, 1998 by John Fluker. A copy of the finaled permit is attached.

It would be appreciated if you would include this permit in your file and accept the work as approved by our inspector.

Sincerely,
